Boarding

- Your dog will be welcomed into our home and family.
- One hour group walk daily and several pee/play breaks. (Dogs must have good obedience to gain off-leash privileges.)
- Screening process to ensure your dog's needs are met prior to his stay. Pricing is based on his needs.
- Safety is of paramount concern to us. We believe in an enjoyable but controlled environment.
 - Basic manners and obedience are reinforced throughout the day.
 - We will accommodate large and small breeds.
 - Pick-up and drop-off available upon request.

We provide a solution for your difficult canine

We do not turn away socially challenged canines; we help to rehabilitate them. We have the experience and capacity to care for their needs.

Give your dog the opportunity to experience the finest care and training available.

Training

Have you dreamt of having a dog that will return to you the first time you call, play without aggression and walk quietly on leash?

Enroll your dog into an individualized training program while he stays and plays, and watch his behaviour improve.

From general obedience to serious aggression problems, we have a solution for you.

This environment is an ideal socialization opportunity for dogs undergoing behaviour modification.
